Reflection—Action—Witness within the United Methodist Church

MFSA mobilizes, leads and sustains a progressive United Methodist movement that energizes people to be agents of God's justice, peace and reconciliation.

MFSA envisions a healed, renewed and fully inclusive United Methodist Church which embodies God's transforming love and grace in the world.

MFSA is grounded in God's all inclusive love and open to the Spirit's leading in the current age. Acting out of a deep spiritual

MFSA speaks from a progressive faith perspective to make a difference in public policy.

MFSA provides avenues for action for progressive United Methodists to bring about cultural and societal transformation.

Connecting Justice in the World

The Methodist Federation for Social Action recognizes the work of justice isn't limited to the context of the American Church. Our cross cultural team has engaged in relationship building in Africa, The Philippines, and Germany as a way to listen and better understand the needs of Christian siblings in contexts different than our own. This includes studying the worldwide nature of the United Methodist Church and encouraging dialogue around mission, global structure, and colonialism.

Looking to the future...

MFSA envisions a church and world committed to living out our baptismal vows of resisting evil, injustice and oppression in whatever forms they present themselves.

To do so we shall work to...

- Support local chapters—and develop new chapters to increase grassroots engagement in Progressive issues.
- Communicate a progressive theological understanding that social holiness & personal holiness are intertwined
- Create avenues for discipleship through turning faith into action
- Continued leadership in the love your neighbor coalition in preparation for General Conference 2012 in Portland, OR.

LET US THEN
PURSUE WHAT
MAKES FOR PEACE
AND FOR MUTUAL
UPBUILDING.
